Award-winning mosaic artist Cathy Ambrose Smith, from Fredericksburg, VA will teach a beginner introduction workshop

to learn the basics of mosaics, including substrates, use of mosaic tools, adhesives, and grouting for interior mosaics. Cathy will cover the foundation of creating mosaic art and introduce students to different types of glass, tiles and other materials applicable to mosaics. No art or mosaic experience necessary.

Each student will be guided through the process to create a one-of-a-kind custom 10"x10" framed wall mirror for interior display. Former students may choose another substrate if desired, please contact Cathy prior to class to discuss other options.
E-mail: smithhse@mail.com

Students will receive handouts including a step-by-step project sheet, suppliers list, websites of unique mosaic artists and a recommended reading list. Best of all, everyone will take home an original work of art!

What to bring to class?
The desire to learn, appreciate, share, design, explore, try, create and have fun in a relaxed, small class atmosphere!
